Adolescent Conference

**a little something extra*

Welcome to the *L*Agniappe Adolescent Conference

Participants attending this FA24 Adolescent conference will enjoy hearing from practicing professionals from the College of the Arts will share information about their careers. The first session is for all students and will focus on Printmaking. Students will use Gelli Plates to create monoprints. Immediately following the morning session we will all enjoy a pizza luncheon. The afternoon session will offer students the opportunity to choose between the 2-D Cyanotype Photography Workshop, or the 3-D Wire Sculpture Workshop.

Acknowledgements

Thank you to Dr. Tracy Cross, Dean of the College of Education and Human Development at the University of Louisiana at Lafayette®. Dr. Cross has offered his support of *L*Agniappe, and The Center for Gifted Education. We truly appreciate his recognition of the importance of high-end learning for all students.

Thank you to the College of the Arts, Kari Smith, Director of School of Architecture and Design, Dr. Claire Schultz, and the Professionals working with the students during the conference.
