Fall 2025 Math Circles

Families!

Is your child currently in the fourth through sixth grades?

Is your child interested in solving problems?

Are they curious about mathematics?

Math Circles are a place to grow your child's problem-solving and curiosity about math. Each session will include several activities where participants problem-solve individually and with a group of peers. They will discuss different solution paths, creating a community of mathematicians.

Please join us on October 1, October 15, and October 29, 2025, from 5:30 P.M. to 6:30 P.M. to participate in a Math Circles program led by Dr. Micah Bruce-Davis, Director of Children's Programming, and Jodi Wilgar, M.Ed, Curriculum and Instruction.

Location

Maxim D. Doucet Hall
Room 108
1401 Johnston Street
Lafayette, LA 70503

Dates

October 1, October 15,
and October 29

Times

5:30 P.M. TO 6:30 P.M.
